# LUCILLE FORTNUM AND MASON TEAS

## BLACK TEAS

### Royal Blend

*In this classic Royal Blend notes of Flowery Pekoe from Sri Lanka uplift the maltier Assam to create a very traditional cup of tea. First blended for King Edward in 1902, Fortnum's Royal Blend has been popular ever since for its smooth, honey-like flavor.*

### Christmas Black Tea

*A warming combination of cocoa nibs, zesty clementine and soothing holiday spices. Delve straight into the festivities with a yuletide brew perfect for warding off the winter chill.*

### Earl Grey Classic

*British Prime Minister Earl Grey gave his name to this hugely popular tea back in the 1830s, and has since been thought of as a classic English afternoon tea. Its flavor is made up of simple black tea flavored with stimulating oil of bergamot.*

### Black Tea with Fig

*Now is the perfect time to experience this warming blend of malty black tea and real figs, delivering subtle, honeyed fruit flavours and ripe fig notes in every sip.*

### Breakfast

*Our historic and ever-popular Breakfast tea has been a fixture on breakfast tables since the mid-1800s. This is a robust, malty leaf tea from unblended Assam leaves grown in the prized Brahmaputra Valley in Northeast India. The broken leaves make a strong brew with a malty, full-bodied flavor.*

### Chai

*Fortnum's Chai Loose Tea is made following an ancient recipe where black tea is infused with Indian herbs and spices to produce a warm, soothing drink that will satisfy and please. Enjoy this luxurious blend with a dash of milk for an experience truly exquisite.*

## GREEN TEAS

### Christmas Green Tea

*Created especially for Christmas, this gently warming green tea is blended with star anise, liquorice, coconut and just a hint of sweet vanilla. This festive cuppa is best enjoyed by a crackling fire at any time of day.*

### Lemon Curd

*Fortnum's has been making Lemon Curd for almost as long as we've been selling tea. Now we've combined to create a naturally smooth and zingy Lemon Curd Tea perfect for sipping.*

### Green Tea with Mandarin

*A Fortnum & Mason's delicate blend of exceptional green tea and naturally-sweet, citrus-rich winter mandarin, this silky tea deliver an uplifting teatime brew.*

### Moroccan Mint

### Green Tea with Elderflower

*A wonderful blend of gently smoky green tea and ever-so-English elderflower blossom.*

## BOTANICAL INFUSIONS

### Rooibos Infusion
